

Heart of a Coach: Scott Drew

When Scott Drew took over as the head men's basketball coach at Baylor in 2003, the program was mired in controversy. But Drew didn't shy away from the rebuilding process. Instead, he put into action the basketball and spiritual lessons he'd learned from his father, respected Valparaiso University Head Coach, Homer Drew. Now eight seasons into the job and the turmoil a distant memory, the oldest of the Drew children is looking to lead the Bears to another NCAA Tournament run and develop excellent men of faith in the process.
