

Keeping Up With the Jones

If you meet **Nichole Jones** on the starting line she'll probably smile at you, but then when the gun goes off, she'll leave you in the dust. Don't take it personally, though; she does that to everyone. "We call her the Smiling Assassin," says Todd Harbour, Baylor's head track/cross country coach. "She'll smile at you and then just beat you bad."

This 5'2" speedster is a quiet giant, both athletically and spiritually, who'd rather show you what she's about than tell you.
