Do not gloat over me, my enemy! Though I have fallen, I will rise. Though I sit in darkness, the LORD will be my light.

Hockey Chat: In the 95-96 NHL season something incredible happened. After not even making it to the playoffs the year before, the underdog of the season was a team in a state that didn't have many hockey rinks and was hardly a place any NHL'er would imagine a good team would develop. Other teams may have laughed at the thought of this club being a contender but the Florida Panthers made it to the Stanley Cup finals only 3 years after they started up, a record at the time for start up teams to make it that far.

Life Lesson: There may be times that you think the world is against you or everyone is looking at you like you won't make it. Just think about whom else is looking at you. They God who created you and loves you. The Christ that gave his life for you. He will be your light through the dark times. When you fall and others walk by, he can lift you up. Just reach your hand out to him. He's got his hand out for you.
