

Birds of a Feather

The faint of heart need not apply.

It takes grit to play at Rice University's Reckling Park on game day in front of 3,000 fans. It takes nerve to battle under the shadow of a preseason No. 1 ranking. Expectations overwhelm, and stomach knots tangle themselves inside even the most tested of athletes. Why? Because players know that a single performance can make or break an entire season.

But really, that's all hogwash ... and Rice juniors **Bobby Bramhall**, **Joe Savery** and **Brian Friday** know it.
