

The Camp Experience

FCA Camps have a unique way of uniting people who would otherwise have very little in common. How else could you link a Super Bowl champion coach from Indiana to a college basketball player from Minnesota and a high school volleyball player from Tennessee? But that is the common denominator for Indianapolis Colts Assistant Coach Alan Williams, Southwest Minnesota State forward Kevin Andrews and Ooletwah High School libero Libby Peigen. All three have been spiritually impacted by attending FCA Camps and have come away with a deeper relationship with the Lord.
