

## **Redeeming Love**

“Love.” What a commonly used word with so many meanings. It can express how we feel about almost anything. We love our jobs, our hobbies, our favorite foods, our colleges. We love our friends, our family and our significant others. Personally, I didn’t understand the real meaning of love until a few years ago. That was when I first experienced the redeeming love of my heavenly Father and learned what it truly was by His ultimate definition.
