

Staying True

It might sound crazy, but tearing my ACL in January 2001 was a good thing. At the time, however, I wouldn't have agreed.

The timing was horrible. My dream was to play in the WNBA, and, with just five months until the draft, I knew the injury would cost me my dream. But God was faithful, and, despite the doctor's report that I would sit out an entire season, the Indiana Fever took a chance on me with the third overall pick.
