## **Touching Back**

In the state of Oklahoma, being the starting quarterback at Tulsa's Jenks High School is like wearing a crown of royalty. Just ask actor/filmmaker Brian Presley, who held the position for three years as a teenager. But, as part of a Christian home, Presley knew his role was about more than football, so he maximized his platform by standing for his faith, even being named the state's FCA Athlete of the Year as a senior in 1996. Even then he knew he was called to make a difference in the world for Christ.
