

Attitude - Chapel

Chapel – Attitude

1 – Attitude:

- It can be our greatest asset.
- It can be our greatest liability.
- Your attitude will affect how you perceive your teammates, your coaches, your opponents, the officials and your team's support staff.

2 – Luke 18:9-14 (read the text) Listen for attitudes as I read this scripture.

- The parable is told to whom? (The self-righteous and those who look down on others.)
- Two men went up to pray...
 - o One a Pharisee (religious big shot)
 - o One a Tax Collector (most hated person in the culture)
- How are their respective attitudes described?
 - o Pharisee – proud, boastful, superior
 - o Tax Collector – humble, contrite, seeking mercy
- What were the results of their prayers?
 - o Only one went home justified.

3 – Here's the bottom line – Attitude

- Raise yourself by putting others down – you will be humbled. (God may bring you down and possibly others with you.)
- Humble yourself and God will raise you up.
- Guard your attitudes today and thus feel God's hand of favor and elevation.
