

Drew Brees - Pro Perspectives Study

Drew Brees-New Orleans Saints One Day At A Time By Faith

Key Verse: *"What good is it, dear brothers and sisters, if you say you have faith but don't show it by your actions? Can that kind of faith save anyone?" - James 2:14*

- Drew Brees talked about his team getting beat badly in the first half, but they never gave up. Can you think of a game when your team was down by a lot of points? How did you and the team respond?
- What characteristics do you need as a player to overcome this type of deficit?
- Brees talked about one play, one series, and one possession at a time to get back into a game. Why is that so important?
- Read James 2:14. Why do you have to show your faith by actions?
- How does having faith in sports compare to having faith in your spiritual life?
- Are you one who gives up easily when your team is down? How about when you're spiritually down? How can your faith become stronger by how you live?
- Pray that God will give you faith that stands firm no matter what situation you face.
