

## Leading Sport Oriented Bible Studies

This guide gives some simple instructions and suggestions for the leadership of Bible studies and discussions with athletes and coaches.

### **Goals and Objectives:**

- **Formen and women of sport to have their lives to accurately reflect the Spirit of Christ in all their ways.** (Proverbs 3:5-6, Colossians 3:23)
- To live with a heart of integrity. To live with one's life in Christ Jesus fully integrated into all facets of life; family, church, athletics, leadership, academics, etc...
- To live with the understanding that as athletes and coaches, “...**Christ in you, the hope of glory,**” (Colossians 1:27) is as fitting for you as for the minister, priest or pastor.
- God would be most honored if our lives were consistently committed to Christ at church, in the classroom, at home, on the field of competition and in all areas of life.
