Virtuous Woman - Serving & Teamwork

Virtuous Woman is a 10-session, question-driven small group study that focuses on two of the four key values of FCA: Serving and Teamwork. The goal of the FCA Virtuous Woman Curriculum is to present to women in the arena of the privilege and challenge of learning and living out Biblical Womanhood in all areas of life. This goal is accomplished by introducing character traits found in female biblical characters that they can model in their own personal life. It is the third installment of the Virtuous Woman series.
