

Conformity

Ready:

"Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is — his good, pleasing and perfect will."

-Romans 12:2

Set

Abby was on cloud 9. She was a freshman who had just made the varsity girls' soccer team. She played hard her freshman year, but when tryouts came her 10th grade year, she put no effort into what she was doing. She thought she was guaranteed a spot on the team. Abby got cut.

This story can easily be paralleled with the Christian walk. So many times we become complacent and feel that since we've accepted Christ, we've done our job. It's easy to sit in FCA or our youth groups, but what really matters is how we are pushing ourselves to become better Christians. Halfway doesn't cut it with God. In Revelation 3:15-16 God tells us He'd rather us be hot or cold. We have a world to save. We can't afford to be complacent.

Go

1. Have you ever been in a situation where you just didn't care anymore?
2. How can you learn to refocus on Christ in those times?
3. What do you need to do today to allow God to light a fire in your heart?
