1. Have you ever been in a similar situation to the one Drew Brees describes? How did you react to being down by a large margin? What was your frame of mind?
2. How does that mentality affect how you play the game in those situations?
3. How does that relate to everyday situations? Do you ever feel like you are down 24-3 in life?
4. Those situations can make us feel hopeless. But, as Christians, we are told that we have "victory in Jesus" in all situations. What does that mean?
5. How can your faith in Christ help you in tough on-the-field situations? In tough life situations?
6. How can you be a model of Christ to others in those situations?
