### **Ready:**

Ephesians 6:12

### **Set**

Hockey Chat: You can score a lot of goals playing hockey without an opposing team skating against you. Nobody to knock you down either. When you get into a game you find that goal is not just to get the puck in the back of the net, but to get past your opponents first and foremost. It is then that you realize what the game is really about.

### **Go**

Life Lesson: You are wonderfully made by God. Don't let the forces of the world bring you down and entice you into sin. They are what is trying to tarnish the great creation the Lord has created in you. Know who your struggle is really against. Be aware of the forces trying to pull you away from God. You have the power with the Holy Spirit within you to overcome anything.
