

Ephesians 6:17

Ready:

Ephesians 6:17 Take the helmet of salvation

Set

Hockey Chat: Brain Buckets. The 79-80 season was when the NHL made new comers wear the head gear. Prior to that it wasn't thought of to be a need. But ask anyone whose taken a wack without it how much it is needed. It's one of those things that we don't really use in the game (head-butting a puck into the goal is not very effective). But when a stick comes up to high, or our skate slips out from under us, those hockey helmets are what saves us from a potentially deadly injury.

Go

Life Lesson: Our salvation given to us through the grace of Jesus' sacrifice is our helmet of protection to save us from death. We wear it with confidence that the Evil One cannot take away what God gave to us. Through our daily battles we know we are saved by His grace.
