Hockey Chat: There are some guys that have used the same gear for years. They suit up in the same old outdated stuff, work hard, practice, and skate great. Then there are others who buy the newest and the best only to struggle when they hit the ice. Even though they have the best gear, they lack the skills and knowledge to be a great hockey player.

Life Lesson: Some people have given up on the quest to be rich and famous to be closer to what really matters to their heart. Others have sold their faith and family to achieve what they feel is worldly greatness. The lowly will always have Jesus as their friend and helper. The greedy will find emptiness in their treasures.
