

## **Warrior Mindset**

### **Ready:**

*“Haven’t I commanded you: be strong and courageous? Do not be afraid or discouraged, for the Lord your God is with you wherever you go.” – Joshua 1:9*

### **Set**

I coached a lacrosse team that was undefeated going into the playoffs. During the season we faced only two opponents that tested our resolve. We never played from behind and won by comfortable margins. In the championship, we finally met our match. We got behind early and the kids started to show frustration. We called time out to regroup and remind them of what they could control – their **attitude, emotion, and effort**.

This was a test of our mental toughness and I’m not sure we passed. The boys battled, but their continued frustration was obvious in their play, emotions, and words. Mental toughness doesn’t show up until you face pressure, adversity, or disappointment.

Every competitor needs the warrior mindset to overcome challenges. Mental toughness surfaces in how you respond when the going gets tough. When things are going the worst, will you bring your best?

We need this same mental toughness in life. We need supernatural strength from God’s promise that He will always be with us. After the death of Moses, Joshua was to lead His people into the Promised Land. After 40 years of waiting, this must have seemed impossible. God knew Joshua would face fear and doubt; that’s why He gave him courage and the warrior mindset by promising His presence.

Warriors do four things – *refuse to make excuses, revel in tough situations, recover from setbacks, and rely on God’s presence and power*. There’s no challenge we’ll face that He can’t overcome. Knowing this brings confidence to everyone who trusts in Him.

### **Go**

1. When facing challenges, do you make excuses or find a way?
2. What are some circumstances that test your attitude, emotions, and effort?
3. Do you have the warrior’s mindset?
