

Snowball

Before the session begins, provide a piece of paper and a pen for each person. Everyone gets to write down one question they have always wanted to ask. Then each person crumples up the paper into a snowball and they all proceed to have an all-out snowball fight for 30 seconds. At the end each person should have one snowball. They are to open it up and answer it according to what they believe. Then try and bring it back to the Bible.
