

## **Zoom**

What you'll need:

Photos from magazines, newspapers, the Internet or photos taken by yourself.  
You'll need at least one photo for each person.

Directions:

Create groups of 5-7 people or larger.

Mix up the photos, face down and then have each person pick one photo.

Each person has a picture but they cant show it to anyone.

The group then tries to come up with a story from some photos.

It takes a lot of patience and understanding to keep the story going in the direction that the first person started off with.
