

Radio Commercials

We are excited to offer you a large range of radio spots to help promote FCA in your area. We have a variety of general spots as well as specialty spots promoting different aspects of our ministry.

How to use them:

1. Select the one(s) you want to air when you have a station in your area donating PSA's/radio time to FCA. We include a single .ZIP file with all of the ads.
2. Be proactive and call on a local station who might have a manager with a heart for FCA.

Suggested stations to contact:

- Christian-based programming, general news, etc.
- Stations who air the local sports games and reports

How do I edit for local contact information:

Many local stations will help you edit/add local information, but you may also contact FCA for counsel or recording help.
