

Does He Still Feel The Nails

Two friends are visiting. The Christian friend tries to persuade the sinner that he needs Christ. The sinner is not ready for that and walks away. (Play the song here.) He runs into one demon at a time who burdens him with a sign (sin) of alcohol, sex, rebellion, etc. He acts confused and weighted down. Then he runs into Satan who calls his demons and they torture the sinner. He calls for help from his friend, but he can't help and yells, "Only Jesus can help you." The man being tortured realizes Jesus is the answer and yells "Jesus, I need you." Jesus comes and slays the demons. Then he takes the sins off one at a time and stands on them and holds the sinner (till the end of the song).
