

He Is Always With Us

A Christian teen doesn't want to take Jesus to a wild party, when invited. At first, he says no but he doesn't resist the temptation. After making a poor decision to go to the party, he ends up regretting the decision when he realizes that Jesus is with him at the party because now that Jesus is in his life, He goes everywhere. At the end of the skit, a couple of his friends, who are obviously Christians are walking by and they see him and say, "Hey, let's get out of here. We really know how to have fun."
