My Wife, My Teammate

When I was first approached by FCA to submit an article for Sharing the Victory magazine, I was (#1) humbled, but also (#2) excited to be able to publicly appreciate my wife. Little did I know that this would be one of the most difficult things that I ever venture to do. God has more than taught me through this process, and I feel as if I would be dishonoring what I've been led to do if I didn't write from the heart. Besides, there is no real victory without real authenticity. So, that being said, I'd like to share the following with you.
