## The Cove

Emotions are never in short supply during open-mic time. Although not many people knew this particular couple's past when the man grabbed the microphone, during the brief minutes that followed, they became part of a story they would never forget.

With tears in his eyes and a quiver in his voice, the man explained to the crowd at the 2007 FCA Couples Getaway at **The Cove** that he and the woman next to him didn't really know how they got there.
