

MVP

I wonder if NFL defensive linemen would recognize this **Shaun Alexander**. The Alexander they're used to is a game-changing, offensive genius who makes his living carving up defenses for extra yardage. But this guy is so ... disarming. He's laughing with kids, putting his arms around them, and even praying with them. In this environment he certainly doesn't look like the typical NFL megastar.

Believe it or not, this *is* Shaun Alexander — a man who loves God, loves people and loves life.
