Home Stretch: Justin Masterson

My story begins in Kingston, Jamaica. That's where I was born and where my dad served as a pastor and the dean of students at the Jamaican Theological Seminary. We lived there for two years until we moved to Indiana.

Growing up as a pastor's son was a huge blessing. It helped me understand from an early age what it meant to have a relationship with God. That relationship has been so important to me in my baseball career as I have worked my way up through the Boston Red Sox farm system, and it is evident in the way I play every day.
