

Home Stretch: Don Kelly

Growing up just outside of Pittsburgh, I was blessed to be part of a family that went to church every Sunday. As the oldest of three kids, I embraced every opportunity I had to show my younger brother and sister the ropes in everything from church youth group to school and, of course, sports. We were a very close group, and, even as we have gotten older and relocated to different parts of the country, we are still as close as we were back then.
