

Game-Changer

In sports, we hear about plays, calls or even individual athletes that, in a single moment, alter the outcome of a game. We call them game-changers... When it comes to the game of life, however, there is only one true game-changer: Jesus Christ. And once He makes that ultimate play in the heart of an athlete, it not only changes his or her life off the field, but also how they conduct themselves in competition. This fall, some of the top players on the college gridiron are telling how the Lord has made an impact on their game and how He can do the same for you.
