

Men of the Mat

It could go down as one of the great debates in Illinois wrestling history. Who is better: Eric Terrazas or B.J. Futrell? The senior or the redshirt-junior? The 149-pounder from Wheaton, Ill., or the 133-pounder from Park Forest? How does one even decide such a question? Both have posted incredible numbers, and both seem to be evenly matched, with high scores in the mid-200s and the consistent ability to roll strikes. Yes, the question of who is the better bowler may never be clearly decided. The men themselves, however, have their own opinions.
