

Heart of a Coach: Bob Hoffman

In his 25 years of coaching, Mercer University Men's Basketball Coach Bob Hoffman has seen it all. From high school to the pros, men's hoops to women's, he's experienced everything from the highs of national titles to the lows of losing seasons. But one constant for Hoffman amid the many changes has been his focus on Christ—the One who placed him in each coaching seat to share His glory and love with every player and coach along the way.
