Home Stretch: Scott Stallings

My faith story begins like many others with my parents taking our family to church when we were kids. As I got involved at our church, youth group and FCA, my faith began to take root. I attended my first FCA Camp in eighth grade and went every summer through my senior year in high school. FCA perfectly blended my faith and my love for sports. I'd started playing golf when I was just 3 years old and had continued to play it, along with other sports, throughout high school.
