

Heart of a Coach: Dallas Steward, Sioux Falls Stampede

Dallas Steward's path to the Sioux Falls Stampede bench began as a player chasing his NHL dreams. After a successful career in college and in the minors, the Chippewa Falls, Wis., native decided to hang up the skates and pick up a whistle. Transitioning from player to coach has been a learning experience, but the same passion with which he played is now being translated to his players through his Christ-like modeling of dedication and determination.
