- Breakthrough victory story 1 – Commitment to teammates
- Breakthrough victory story 2 – Commitment to winning
- Breakthrough victory story 3 – Commitment to being champions
- What will it be this year? Our breakthrough will be determined by our commitments.

2 – Watch the commitment demonstrated in this story from I Kings 19:19-21.

- The prophet Elijah recruits Elisha, a wealthy farmer.
- Elisha blows up and eats his tractors! (Oxen)
- Elisha will be a farmer no more.
- This is whole-hearted commitment.
- Elisha broke through when Elijah left him, becoming twice the prophet his mentor was.
- His whole-hearted commitment lead to his breakthrough and fueled his life's work.

3 – What will it be today?

- How will this team break through?
- How wholeheartedly will you commit? Each one individually and the team as a whole?
- Our breakthrough will be determined by our commitments.
- A wholehearted commitment by each one to his team will lead to a breakthrough and will fuel the rest of our season.
