

Vision - Chapel

1 – Your coaching staff and your senior leaders have a vision for your team. To be champions is a vision worth believing in and pursuing.

2 – Habakkuk 2:2-3 (read the text)

- Record the vision...
 - Write it down.
 - Talk about it with your teammates.
 - How would you keep a vision like this in front of you?
- For an appointed time... Destiny.
 - Do you have a sense that we're on a track toward being a great team? That comes with vision.
- The vision is on the move without fail.
 - What are some indicators of progress toward this goal for your team?
- It is certain...even if delayed.
 - The delay has been long.
 - Now it's time to see the vision fulfilled.
