

One Mission - Give it!

Give it!

The focus of this day is to understand that once you GOT IT, you must GIVE IT in order to experience your true Mission.

Warmup

Design a practice jersey that would illustrate your Mission in life. Make sure to include your Mission's "battle cry" (i.e. "All for One!", "It's gonna take all of me, "Watch Out – I Got It!")

With a partner share what your practice jersey looks like and your Mission's "battle cry."

Workout

What is the one move or technique that you think you could coach somebody on? What would you say? How would you coach them? Do you have anybody on your team that you have seen trying to coach a younger player? How was this received?

Group 1

Read John 14:23, 24

"If anyone loves me, he will _____ my _____. My Father will _____ him, and _____ will come to him and make our _____ with him. He who _____ love me will not _____ my teachings."

What are some of Jesus' teachings that first come to your mind? How could you know Jesus' teachings in a better way? What are the two results of obedience? What do you suppose it means when Jesus says "we will come to him and make our home with him"?

Group 2

Read John 20:31

“But these are written that you may _____ that Jesus is the _____, the Son of God, and that by _____ you may have _____ in his name.”

What are the things that were written? What did these things prove? How have these things affected your heart? By reading and believing these things we are able to have what? What do you suppose this means? Is this an instantaneous things or a life-long pursuit? Does this mean now? Does this mean after we die?

Group 3

Read John 15:1-5

“I am the true _____ and my Father is the _____. He _____ off every branch in me the bears _____ fruit, while every branch that _____ bear fruit, he _____ so that it will be even more _____.”

“I am the _____; you are the _____. If a man _____ in _____ and I in him, he will bear _____ fruit. Apart from me you can do nothing.”

What is the relationship between the vine and the branch? What do you suppose the disciples thought when they first heard this? How do you think this works out in the real life of a teenager? What does the fruit that Jesus was talking about look like? What would Jesus' fruit in your life look like? How are you planing on staying connected to the vine?

Today we have looked at three different parts of what a Mission in Jesus is all about: learning more about His teachings, walking obediently and bearing fruit. These are three critical components of your having a Mission.

- Walking in Obedience

Now close in prayer asking Jesus to help you accomplish His mission for your life this year and beyond.

Extra Innings

Who is the one person you would like to come to know Jesus. Take time as a group to share who that is and then go around the a circle having the person on your right pray for you and you and the person you want to share your faith with.
