Hockey Chat: There are the guys on the team that wear the "C" on their sweater representing that they are the Captain. They've given their best at putting forth the qualities of a leader. The management of the team sees those actions and gives this prestigious reward to the top man who has earned it. It's an honor given to them because of what they gave to the team.

Life Lesson: When we give to others in life, we can rest assured that God will reward us abundantly. Giving is a sign of our faith, regardless of how it's done, whether through time, money or deeds. It's passing along the blessings we have and that is the generosity that the Heavenly Coach sees as a leader in his family.
