

Planted Where We Are Needed

Ready:

Matthew 13:31 - "The kingdom of heaven is like a mustard seed, which a man took and planted in his field. Though it is the smallest of all your seeds, yet when it grows, it is the largest of garden plants and becomes a tree, so that the birds of the air come and perch in its branches."

Hockey Chat: Martian Brodner's journey started with a small hope to stop pucks that first time he played goal in net. Life Lesson: Our hope and faith starts off small. And through time, with prayerful growing, we draw closer to God and what was once small becomes the most important aspect of our lives. However large your tree has grown, keep it well watered with the living water of God's word and plenty of time in the Son.
