### **Ready:**

Romans 9:21 Does not the potter have the right to make out of the same lump of clay some pottery for noble purposes and some for common use?

### **Set**

Hockey Chat: Coaches have the important job of figuring where to play his skaters. All six players on the ice play an equally important role regardless of the position that they've been placed in. They are all there with the common goal, "keep the puck out of our net and get it into theirs." Whatever they can do to play a part in getting to that goal, makes a winning team.

### **Go**

Life Lesson: The role of a pastor in the church is very prestigious. But his goal should be the same as the greeters at the door and the worker in the factory and the student in school and the mom at home with the kids and hockey players skating among us. God has placed us purposely in different roles throughout his world so that we can share his message of grace and care. Regardless of who you are and where you are at, know that God has you right where he needs you to be the evidence of his miraculous love.
