Ready:

1 Corinthians 9:8 Do I say this merely from a human point of view? Doesn't the Law say the same thing?

Hockey Chat: You don't hear of penalties given for blocking the goalies view even though they hate when someone stands in front of them "screening" and then a puck trickles in unseen. There is no rule in the rule book about that therefore it's an OK tactic. The goalie would like to make up that rule but if everyone got to write up their own rules for the book the game would be a mess.

Life Lesson: We have to question some of the "rules" of today. Are they society's rules or God's. The world will tell you many things that you need to be and do. Life's measure of success has even been twisted. God's rules for our lives should be the only rules. Trying to live by others will lead to confusion and despair. Read you Bible and learn His rules so you understand the game.
