

Apartment Visit

Two friends are hanging out watching TV when the phone rings and God tells them He wants to stop by for a visit. They freak and begin cleaning the whole place. They dust off their Bibles, turn on Christian radio, etc. to get ready for the visit. During this time two visitors come at different times, needing something. The friends turn them away saying they are waiting on an important guest. To end, God calls them, and they ask where He is and He says He has been by two times. Quote Matthew 25:35-46.
