

## Weigh Nothing Light

Leader: Weigh nothing light on my soul  
Are you still in control

Student 1: 3,000 children and teens a day see their parent's marriage end in divorce

Leader: I desperately need You, I desperately know  
Love left me hungry, life gave me pain  
This world washed dreams away like the gray rain

Student 3: 66% of the population believes that absolute truth cannot be found

Leader: In you is my promise, I'm so afraid I let it slow  
In You is salvation, in You is my glow  
So sinking and worthless  
So stinking, so fruitless  
Smudges like newspaper, sooty and raw

Student 2: The suicide rate among teen has quadrupled in the last 4 decades

Student 4: An estimated 270,000 guns are carried to school in America every day

Leader: Where did You go? Why did I leave?  
This absence felt keenly, I need You to breathe  
I'm trying to find You, I diving below

Student 2: It has been said that the mark of my generation is a reason for HOPE

Leader: Hoping I find Your purity, more holy than snow  
Still feeling gone, all the ways that I've shifted  
But You're here and I'm here,

Student 1: On September 12, over 3 million students gathered around their school's flagpoles to pray for their campus, community and country.

Leader: You, just give me wings  
Like an eagle I'll fly above all pointless things

Student 3: In the year 2001, 500,000 students are meeting at their schools in 7,700 FCA groups nationwide

Leader: The yokes are so heavy, the gap is so wide  
Crucified by my ignorance, and dying in my pride

Student 4: Last year, I prayed for my school

Student 1: Last month, I invited my classmates to our campus meeting

Student 3: Last week I shared my faith with my friend

Student 2: IN Northern VA there are over 2,000 students like me meeting on a weekly basis in the name of HOPE

Leader: So please be my answer, and please help me cope

So don't let me leave You, so tied to Your Hope

Always stay in control

Weigh nothing light on my soul
